

NYEEMA MORGAN

Born Philadelphia, PA. Lives/ works Chicago, IL.

I. BIO

Nyeema Morgan is an interdisciplinary artist. Morgan's conceptually layered works are inspired by philosophical conflicts in our everyday encounters with images, objects and information. The artist references familiar cultural artifacts such as recipes, fables, canonical artworks and jokes to prompt reflection on the soft aesthetic power of systems of knowledge, information production and the mechanics of representation.

II. EDUCATION

2009	Skowhegan School of Painting and Sculpture, Skowhegan, ME
2007	MFA, California College of the Arts, Painting & Drawing Dept., San Francisco, CA
